MARIE-CLAUDE GREGOIRE, MD, MSC, FRCPC & ASSOCIATES
“Management of chronic disease through intensive lifestyle modification.”

PEDIATRIC LIFESTYLE MEDICINE:

<input type="checkbox"/> Obesity and Obesity Related Disease	<input type="checkbox"/> Dyslipidemia	<input type="checkbox"/> Diabetes Type 2
<input type="checkbox"/> Polycystic Ovarian Syndrome	<input type="checkbox"/> Hypertension	<input type="checkbox"/> Non-Alcoholic Fatty Liver Disease
<input type="checkbox"/> Deconditioning	<input type="checkbox"/> Sleep Difficulty	<input type="checkbox"/> Obstructive Sleep Apnea

The Aroga Pediatric Clinic provides an MSP covered, holistic approach to management and treatment of lifestyle linked chronic disease. We can provide medical management when necessary but focus on specific, intensive-yet-sustainable lifestyle interventions to bring diseases under control and ultimately provide patients and their families with the tools necessary to take charge of their own bodies. The clinic combines our specialized medical expertise with in-house access to specially trained Registered Dietitians and other allied health professionals in a team-based approach to optimize outcomes.
